

AN ILLUSTRATED STORY

THE CARTOGRAPHER OF IMPOSSIBLE DOORS

EVERY MAP LEAVES SOMETHING OUT

A BOOKBIND SAMPLE

DOOR 41 • BELOW THE TIDE

The library that breathed

Books drifted past Samir like silver fish. His compass pointed not north, but toward the question he had been afraid to ask.

DOOR 58 • BONE CHINA

A forest inside a teacup

The moth landed on a leaf shaped exactly like a door. Behind it, the roots whispered the name of every place missing from his map.

THE FINAL DOOR

The map that led home

The last door was not missing from Samir's map. It had been waiting inside the question that first made him pick up a compass.
